themilkmob.org

Register at: themilkmob.org/ottawa2018

Accreditation

Accreditation has been applied for through the American Academy of Family Physicians for CMEs, and through the International Board of Lactation Consultant Examiners for CERPs.

Conference Details

This symposium is designed for individuals who currently practice breastfeeding medicine/lactation, or who have sufficient knowledge to practice. It's case-based learning format will allow for in depth discussions among participants on innovative strategies to manage various complex breastfeeding medicine problems. In addition we have special guest speakers, please see our program schedule.

Participation will be limited to 75 individuals.

Handouts

Upon registration, attendees will have a dashboard at The Milk Mob website where the lecture notes can be downloaded as they become available.

Even if you are not breastfeeding you can come. If you are breastfeeding, of course you should be joining us. That means you will likely have a young one in tow. No worries! If you are lactating sans infant, we will have a lactation room available.

The Milk Mob is a 501c3 nonprofit membership organization, dedicated to the creation of Breastfeeding Knowledgeable Medical Systems and Communities.

Elevating breastfeeding knowledge in medical systems and communities is a first step in providing optimal outpatient breastfeeding support for families.
